

Scripture Tracker

Daily reading. Daily discipleship.

A free personal scripture reading companion

Tell it what you want to read and when you want to finish — or how many minutes per day you have — and it handles everything else. Tracks your progress, saves your place, and celebrates every day you show up.

■ All Standard Works

Book of Mormon, New Testament, Old Testament, D&C, and Pearl of Great Price — full text built in.

■ Smart Reading Plans

Set a deadline or pick minutes per day. The app calculates exactly what to read each day.

■ Reading Time Estimator

Based on your reading speed, it estimates how long each session actually takes.

■ In-App Scripture Reader

Read right inside the app. Adjust font size and style to whatever is easiest on your eyes.

■ Smart Bookmark

Tap the bookmark when you stop. Next time, a gold card takes you right back to that spot.

■ Daily Goal Tracker

A progress strip checks off chapters as you go. A celebration screen marks your daily completion.

■ Streak & Progress

Track consecutive days read, overall percentage, and a calendar heatmap of every day you read.

■ Journal & Notes

Write reflections and insights after reading. Stored privately on your own device.

■ Dark mode

■ 4 font choices

■ Daily reminders
